NEW PROBE POWER SPINE

The Probe power spine is at the heart of our Powerbox range of charging lockers, choose from **USB-C & USB-A or UK 240v**. These are supplied with an **IEC-C inlet** which is powered by a 2 metre 'kettle lead' with a **10Amp fused RCD cable**.

 USB-C **USB-A** **240v**

TABLETS

Probe have designed a range of charging lockers specifically for charging and securely storing tablets. Whether you need individual secure compartments or a single door to multiple compartments for quick access, Probe have the solution.

MOBILE DEVICES

Probe offer a range of charging lockers specifically designed for small devices including phones and tablets, ideal for businesses wanting to keep phones off desks removing distraction and increasing productivity.

LAPTOPS

We now use laptops in more numbers than ever before, ideal for schools, colleges and Universities, Probe have a range of laptop charging lockers designed to keep laptops safely charged and ready to go.

POWER TOOLS

Probe build tough lockers, now with in-locker charging, these can be used in workshops keeping employees tools securely charged and ready to go.

MEDICAL FACILITIES
Charging lockers can be a lifeline for patients and staff alike, whether for mobiles, tablets or laptops, Probe have an answer.

RETAIL
Keep staff mobiles off the shop floor, charge tablets or phones in the store room or even offer shoppers a convenient place to safely charge their mobile device.

WAREHOUSES
Charge and store mobile devices and tablets securely and safely knowing they'll be fully charged ready for the next shift.

LEISURE CENTRES
Ideal for Staff and customers alike, allowing safe and secure charging or storage of their mobile devices.

EDUCATION
We now use mobile devices in larger numbers than ever before, ideal for schools, colleges and Universities.

OFFICE
Keep distractions off the desk, Probe charging lockers keep productivity up while keeping employees devices fully charged.

TRANSPORT HUBS
Transport hubs see thousands of passengers pass through every day, with coin retain locks on Probe charging lockers you could even generate revenue.

CALL CENTRES
With high efficiency being vital in call centres, Probe charging lockers keep distracting devices out of reach while keeping devices charged for the commute home.
